Company Moves to NEX

November 6, 2009 – Vancouver B.C., (GAI.H) Les Kjosness, President, announces the Company has been transferred to NEX effective immediately. The Company's new symbol is GAI.H.

NEX is a separate board of the TSX Venture Exchange for companies previously listed on the TSX Venture Exchange or the Toronto Stock Exchange, which have failed to maintain compliance with the ongoing financial listing standards of those markets. NEX is designed to provide a forum for the trading of publicly listed companies while they seek and undertake transactions in furtherance of their reactivation as companies, which will carry on an active business.

Silver Peak Resources Ltd. placed Golden Arch Resources Ltd. into receivership on October 25th, 2009, due to the court decision and order granting Silver Peak the debenture and interest owed by the Company from a debenture disputed by Management. The debenture and interest granted by the Courts totals \$453,685.27. Golden Arch Resources has filed an appeal but Silver Peak has the right to demand restitution.

The Company has the option to raise funds required to satisfy the receiver via several vehicles: a private placement, sale of one or more of its assets or through joint venture agreements on one or more of its properties. Golden Arch is presently reviewing both its short and long term goals.

On behalf of the Board,

"Les Kjosness"
President & Director
